**CENTURY GARDENS VILLAGE COMMUNITY DEVELOPMENT DISTRICT
REGULAR BOARD MEETING
NOVEMBER 5, 2025**

A. CALL TO ORDER

District Manager Armando Silva called the November 5, 2025, Regular Board Meeting of the Century Gardens Village Community Development District (the “District”) to order at 6:54 p.m. in the Kendall Executive Center Meeting Room located at 8785 SW 165th Street, Miami, Florida 33193.

B. PROOF OF PUBLICATION

Mr. Silva presented proof of publication that notice of the Regular Board Meeting had been published in the *Miami Herald* on September 10, 2025, as legally required.

C. ESTABLISH A QUORUM

Mr. Silva determined that the attendance of Chairperson Paola Mastrodomenico, Vice Chairperson Licette Conde-Matos (via teleconference), and Supervisors Yenfa Arias, Johanna Diaz, and Gladelmis Rodriguez (via teleconference), constituted a quorum, and it was in order to proceed with the meeting.

Staff in attendance were: District Manager Armando Silva and Associate District Manager Pablo Jerez of Special District Services, Inc.; and General Counsel Liza Smoker of Billing, Cochran, Lyles, Mauro & Ramsey, P.A.

D. ADDITIONS OR DELETIONS TO AGENDA

Ms. Diaz added the following item:

- New Business, Item 6: Overgrown Weeds and Tarp on Border with Felix Varela High School

E. COMMENTS FROM THE PUBLIC FOR ITEMS NOT ON THE AGENDA

There were no comments from the public for items not on the agenda.

F. APPROVAL OF MINUTES

1. October 1, 2025, Regular Board Meeting

Mr. Silva presented the minutes of the October 1, 2025, Regular Board Meeting and asked if there were any changes. There being no changes, a **motion** was made by Ms. Mastrodomenico, seconded by Ms. Diaz and unanimously passed approving the minutes of the October 1, 2025, Regular Board Meeting, as presented.

G. OLD BUSINESS

1. Update Regarding Electrical Improvements Project (Holiday Lighting)

Mr. Silva provided an update advising that Elighting had begun working on the trenching and boring for the installation of the electrical outlets in the medians. The work would be ongoing and would be on

schedule to be completed within two weeks and Elighting would coordinate the final permit inspection with Miami-Dade County once completed.

2. Update Regarding Irrigation System Maintenance

Mr. Silva presented an email from F&S Enterprises of their request to add a clause to the Irrigation System Maintenance Agreement between the District and F&S Enterprises. After discussion, the Board requested District Staff speak with F&S Enterprises to have them waive the clause that states that F&S Enterprises, Inc. is not responsible for any damage that may be caused while hand digging or hand trenching. If F&S Enterprises does not agree to remove the clause then District Staff will re-engage SoFlo Sprinklers to see if they would be willing to assume the maintenance of the District's irrigation system.

A **motion** was made by Ms. Mastrodomencio, seconded by Ms. Diaz and passed unanimously to proceed with SoFlo Sprinklers for the Irrigation Maintenance Services if F&S Enterprises does not elect to waive the clause.

3. Update Regarding Tree Removal Project (Permitting)

Mr. Silva advised that the inspection of the trees within the District had been conducted and there were thirty (30) trees to be removed. Mr. Silva went on to explain that District Staff must update the arborist report and discuss the permitting process with Miami-Dade County on the requirements needed to allow the removal.

4. Update Regarding Proposals for Re-Painting of Traffic Markings

Mr. Jerez advised that Cielito Multiservices was due to begin the repainting of the traffic markings on November 17, 2025. The Board expressed concern that the project would not be finished before the Thanksgiving holiday which would hinder guest parking and instructed District Staff to advise Cielito Multiservices to begin the project on December 1, 2025.

Mr. Silva then advised that District staff had conducted an inspection of the address and traffic signs within the District and a total of eighty-one (81) sign needed to be replaced.

A **motion** was made by Ms. Mastrodomenico, seconded by Ms. Matos and passed unanimously approving the not to exceed amount of \$9,000 for the purchase and installation of new address and traffic signs within the District

5. Update Regarding Ownership of Tract B

Ms. Smoker advised that based on input from the District Engineer, it seems that Tract B was to be owned by the HOA and the CDD was to retain the right to own the roadway and drainage improvements within the Tract. However, at that time, a plat dedication for Tract B seems to have been relied upon in lieu of a deed. The CDD can request that the HOA grants the CDD a roadway and drainage easement with a legal description that carves out the road and drainage systems. A surveyor can prepare this legal description along with a sketch. Mr. Silva stated that he obtained the cost of \$6,750 for a legal and sketch. A discussion ensued after which the Board consensus was to ask the HOA to grant a blanket easement over Tract B to give the District the ability, but not the obligation, to maintain, access, construct, reconstruct, repair, install and replace all of the infrastructure within Tract

B, which includes landscaping, irrigation, roadways, stormwater management system, signage, and lighting.

A **motion** was made by Ms. Mastrodomenico, seconded by Ms. Diaz and unanimously passed to proceed with the blanket maintenance easement over Tract B; and thus authorizing District Counsel to proceed with the drafting and recording of the easement.

H. NEW BUSINESS

There was no new business to discuss at this time.

J. ADMINISTRATIVE & OPERATIONAL MATTERS

Mr. Silva indicated that the ethics training was due December 31, 2025, and he would send additional reminders to the Board.

K. BOARD MEMBER & STAFF CLOSING COMMENTS

There were further no comments at this time.

L. ADJOURNMENT

There being no further business to come before the Board, a **motion** was made by Ms. Mastrodomenico, seconded by Ms. Matos and unanimously passed adjourning the Regular Board Meeting at 8:00 p.m.

4.	Sprinkler Service	CONTROLLER A: Trace wiring to locate valves for non-functioning zones to allow for troubleshooting to identify issues. Once issues are identified we will make necessary repairs to restore function to the following zones. - Zone 8 - Zone 19 Also, Zones 14,16,18,and 20 are combined, utilizing one wire with an "Add-A-Zone". An irrigation "Add-A-Zone" (or quad-zone controller) allows you to control four independent sprinkler valves using only one pair of existing field wires. It acts as a switcher, often used to bypass broken wires or add a new zone without digging new trenches or properly troubleshooting and repairing wire faults. This is used as a temporary "fix" as it can be problematic and create a "dead-head" condition which could damage pump components. This needs to be corrected to ensure the existing zones operated by this device can be controlled independently.	1	\$0.00	\$0.00

**Re: Adjustment to District Counsel Fee Structure
Century Gardens Village Community Development District
Our File: 829.06230**

Dear Armando:

This firm's current fee structure has been in place since 2023. Although we are certainly mindful of the necessity to keep increases in the District's expenses, including the cost of legal services, to a minimum, it has become necessary for us to adjust our hourly rates effective, October 1, 2026, as follows:

- Attorneys/Partners: \$300.00 per hour
- Attorneys/Associates: \$250.00 per hour

This hourly fee structure will be adjusted on a periodic basis in connection with the District's budget process no later than every third Fiscal Year to reflect changes in the Consumer Price Index published by the U. S. Department of Labor.

Naturally, should you feel you have any questions or require any further information in support of this adjustment you should feel free to contact me at your convenience. As I think you are aware, we very much appreciate the opportunity to serve as District Counsel as well as your courtesy and cooperation with regard to the necessity of what we believe to be both infrequent and reasonable adjustments to our schedule of professional fees.

Very truly yours,

Michael J. Pawelczyk

Subject: Re: Century Gardens Village - Tract E

Good morning, Armando and Pablo:

I was able to request and schedule a conference call with one of the Zoning Directors from MDC.

Unfortunately there are 2 restrictions that would make the project challenging:

1. I was hoping they would allow building up to the back-of-sidewalk. Zoning requires this area to meet setback criteria. In a best-case scenario, we present 5-foot setbacks from the back-of-sidewalk perimeter. This would leave us with a total available width (to build on) of 20 feet. A half-sized basketball court requires a 30'x50' footprint and therefore would not fit when complying with setbacks.
2. Zoning requires a fence to be erected so that the recreational area does not propose a hazard to moving traffic/ the public. This fence would ideally be 12 feet tall, but they have a height restriction of 6 feet. This can be potentially disputed given they allowed a tall fence at the nearby tennis court.

They did mention we can always proceed to submit plans, but it may not be fruitful as we would run into the zoning review restrictions after investing resources and time.

Please advise if you would like any additional inquiries or if you would like to further discuss this project.

Thanks!

Cordially,
